

First choose either set A or set B to start. Then make up random choices and log each by marking the results with an X.

Then flip the coin and log the results in the other set.

Please mark the results boldly as an X or fill in each square.

Set A	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	517	718	19	20	21	22	23	242	25
